On Call Africa (OCA) Code of Conduct

Introduction

In keeping with its vision and values, OCA is committed to maintaining the highest degree of ethical conduct amongst all volunteer staff and associated personnel. To help increase understanding, this Code of Conduct details OCA’s expectations of all staff and volunteers.

Scope and Purpose

This Code of Conduct applies to all contracted staff, international and local, employed by OCA and volunteers. In accepting an appointment, contract, or volunteer role, you undertake to discharge your duties and to regulate your conduct in accordance with the requirements of this Code.

The purpose of this Code of Conduct is to set out the conduct expected of those engaged, in a staff or volunteer capacity, with On Call Africa. For employed staff this Code of Conduct forms part of all contracts of employment and for volunteers it forms part of their agreement.

The Code is always applicable. Breaches of the Code of Conduct are grounds for terminating volunteer involvement and for staff disciplinary action, up to and including dismissal.

Whilst recognising that local laws and cultures differ considerably from one country to another, OCA works internationally, and therefore the Code of Conduct is developed from international and UN standards. OCA staff and volunteers are expected to uphold local law wherever they operate, except where the Code of Conduct is more stringent, in which case the Code applies.
